

On January 23, 2009, Adirondack Winery was pleased to participate in The Aquarium of the Adirondacks' 1st Annual Winter Wine and Cheese Celebration, which was held at the Charles R. Wood Theater in downtown Glens Falls.

Good conversation, a great wine tasting bar and delectable food was accompanied by an excellent auction item selection and an impressive presentation by the aquarium's Doug Perry.

***We want to stress our support of this organization and encourage others to join us.*** The vision of Bill LaPann, Danelle Dessaint and Doug Perry has been well thought-out and when realized, will be a boon to this region. They are proposing a year-round attraction, guaranteed to boost tourism for more than just the summer months! [Click here to check out their website.](#)

The event featured the official release of The Aquarium's exclusive wines; Shark Bite Shiraz and Eagle Ray Chardonnay, which were a big hit.

The great news is, you can still get these wines from the Aquarium folks! Your gift for a \$25 donation is a bottle of Eagle Ray Chardonnay and your gift for a \$30 donation is a bottle of Shark Bite Shiraz. Contact Danelle Dessaint at [ddessaint@adkaquaticlife.org](mailto:ddessaint@adkaquaticlife.org) to get yours!
