

## **ADK Winery Fruity Mystery Box**

### **How to Play & Enter for a Chance to Win a Case of Wine!**

Thank you for ordering an Adk Winery Dry Wines Mystery Box! Not only did you get 6 great wines at a great price, you also have up to 6 chances to win a case of wine by entering our Mystery Box game!

Here's what's in the box for you to play along:

- 6 mystery bottles
- Wine tasting sheets for you and your friends
- Our full wine list
- The 6 S's of wine tasting
- Wine aroma cheat sheet

When you're ready to play, find the bottle labeled #1. Open it, taste it and fill out the tasting sheet. Which description fits the most? Is it nutty? Circle it. Not very floral? Don't circle it.

Then use the wine list to guess which wine you tasted! Write it on the "name" line.

Taste your way through all 6 wines. When you're done, take a photo of your completed sheet (and the bottles still wrapped of course! No peeking!) and send the photo to [marketing@adirondackwinery.com](mailto:marketing@adirondackwinery.com)

For every wine you guess correctly, you'll get one entry into our FREE CASE OF WINE drawing! There will be TWO drawings, one **after** Thanksgiving on Dec. 1<sup>st</sup> and one **after** New Year's on Jan. 4<sup>th</sup>! Winner will be announced on social media!

Good luck and thank you for your support of Adirondack Winery!

# The SIX S's of Wine Tasting

## 1) See

**HOW:** Observe the Color and Clarity of the wine against a white background

**WHY:** A wine's color is influenced by its age & grape variety. As they age, white's gain color, while reds lose color

## 2) Swirl

**HOW:** Hold the wine in front of you & gently rotate so the wine swirls in the glass

**WHY:** Swirling helps to aerate and "open up" the wine, releasing its natural aromas

## 3) Smell

**HOW:** Stick your nose down inside the glass & take a quick, deep inhalation

**WHY:** Much of a wine's pleasure is in its aroma, coming from the grapes, the bouquet and wine making process

## 4) Sip

**HOW:** Take your first small sip, observe the initial flavors and feel of the wine on the tip of your tongue

**WHY:** It takes more than one sip to pick up all the nuances of a wine

## 5) Swish

**HOW:** On the second sip, swish the wine in your mouth and observe the flavors and aftertaste, or how it lingers on your palate

**WHY:** This allows you to pick up on more subtle tones in the wine, tannins and more

## 6) Savor

**HOW:** Now is the time to enjoy! Take your time and make the most of every last sip! Try savoring your wine alongside different food pairings, too!

**WHY:** Because wine is delicious!
