TESTIMONIALS

"My husband and I love Adirondack Winery. We stop in every time we are in Lake George and we schedule a date every Club Weekend. The wine tasting is always great and the food samplers have a variety that we love. We also love the people working there. They have become like friends. All of this is free with your membership on Club Week. Plus with the monthly wine tasting, we can bring friends so that they too can enjoy some fabulous wine." - Jenn R.

"The wines are amazing and they're always coming up with interesting flavors. I love the free shipping on our orders as well since we do not live near Lake George." - *Casey F.*

"The wines are excellent and the prices can't be beat! The people who work in the tasting rooms are super helpful and friendly. It definitely pays to be a Gold Club member! Free tastings and many other Gold Club Member perks such as early access to new wine releases are great. I have been enjoying the wine at Adirondack Winery for over 10 years!" - Amanda K.

I love being a Gold Club Member first because of the people who work for the Adirondack Winery! They really care about their customers and go above and beyond to help us. Another reason is because of the benefits. The discounts and other perks like early access to new releases of the great wines the winery produces are the best Club benefits I've seen. I don't live close enough to the winery to visit as often as I'd like to, but, I do feel like a valued customer! - Donna C.
