Our Semi-Sweet Riesling is full bodied and luscious, with aromas of peach and honeysuckle, followed by flavors of juicy pineapple and a hint of lime with a lingering finish.

### Food Pairing Notes

One of our favorite “daytime” wines, this Riesling makes a great match for salty snacks, light salads & sandwiches, and its sweetness nicely balances spicy dishes & pungent cheeses.

### Winemaker Notes

We have a Riesling for everyone, and this one is for someone who likes sweet wines but wants to venture into trying dry wines. It has about 2/3rds of the sweetness of a traditional semi-sweet wine, and it’s a nice baby step between the dry and sweet styles.

A Love of Wine and Family has brought us back to our roots in the beautiful Adirondacks to share our award-winning, locally-handcrafted wines with friends new and old. From our family to yours, thank you for being a part of our story and for letting us be a part of yours!
