ADIRONDACK WINERY AWARDED SIX MEDALS AT THE 2009 WORLD VALUE WINE CHALLENGE

LAKE GEORGE, NY (October 12, 2009): Adirondack Winery is proud to announce that six of its hand-crafted wines earned medals at the 2009 World Value Wine Challenge.

The World Value Wine Challenge (“WVWC”); which took place in August 2009 and was put on by the Beverage Testing Institute, is recognized as the nation’s most comprehensive competition for wines \$20 and under. With value on the top of everyone’s mind in this recession, this year’s competition was steep for wineries and drew much attention.

Adirondack Winery President, Sasha Pardy said, “Adirondack Winery is pleased to provide its customers not only with great wines, but good value, as the vast majority of its 35+ wine varieties are priced at \$20 or less.”

[Adirondack Winery’s Chardonnay](#) won a Silver Medal (*a.k.a. Highly Recommended*) at the WVWC, while five additional Adirondack Winery wines were awarded Bronze Medals (*a.k.a. Recommended*): Riesling, Pinot Grigio, Red Barn (Reserve Cabernet Sauvignon), Fireworks Red Merlot, and Barbera.

The WVWC judges described [Adirondack Winery’s Chardonnay](#) as having a “Rich, golden color and offering aromas of pineapple, ripe kiwi, butter cream, and spun honey following through on a round, satiny entry to a fruity-yet-dry medium-to-full body with nice layers of citrus, praline, and spice.” Adirondack Winery CEO and wine maker, Michael Pardy, sources grape must from the Woodbridge, California area to create this Chardonnay - it is lightly oaked and aged in stainless steel drums. Pardy’s Chardonnay also won a Bronze Medal at the Finger Lakes International Wine Competition earlier this year.

The WVWC judges described Adirondack Winery’s Bronze Medal-Winning [Riesling](#) as “lush”, its [Red Barn Cabernet Sauvignon](#) as “deep”, its [Pinot Grigio](#) as “soft and breezy”, its [Barbera](#) as “raisiny”, and its [Fireworks Red Merlot](#) as embodying brown spice and herbs.

The wine labels on these award winning wines, which were created by Sasha Pardy, feature photographs of landscapes, landmarks and special events of the local region ([find label pictures at end of this release](#)):
