Winemaker Notes

Our best-selling red wine at our Tasting Rooms, Baco Noir is a lesser known grape, with a slightly tart taste. Ours is known as our ‘campfire wine’ not only because of the label, but because of its oaky, smokey taste that is perfect when you’re sitting around a fire.

A Love of Wine and Family has brought us back to our roots in the beautiful Adirondacks to share our award-winning, locally-handcrafted wines with friends new and old. From our family to yours, thank you for being a part of our story and for letting us be a part of yours!
