Winemaker Notes

This was a fun yet challenging sparkling wine to make. We had the blueprint of our base wine from the popular Prospect Mountain White, but we wanted to make sure it wasn't exactly the same. We achieved this by providing a lighter body to the wine with less residual sugar which allows for a nice fresh peach flavor to stand out. The carbonation level gives a dry sensation on the back end which allows this wine to be enjoyed by dry or sweet wine drinkers for any celebration.

A LOVE OF WINE AND FAMILY has brought us back to our roots in the beautiful Adirondacks to share our award-winning, locally-handcrafted wines with friends new and old. From our family to yours, thank you for being a part of our story and for letting us be a part of yours!
