### Winemaker Notes

Our Cabernet Sauvignon is a lot lighter and not as astringent as California Cabernet Sauvignon. It's slightly more mellow and lighter in alcohol content too, which makes it a truly pleasant experience to drink it.

A Love of Wine and Family has brought us back to our roots in the beautiful Adirondacks to share our award-winning, locally-handcrafted wines with friends new and old. From our family to yours, thank you for being a part of our story and for letting us be a part of yours!
