Winemaker Notes

Our best-selling wine, despite only being available for a few months per year, this holiday favorite is as delicious as it sounds. Even when we bottle it at the start of the summer, it evokes feelings and aromas of the holidays, which is amazing any time of year.

A LOVE OF WINE AND FAMILY has brought us back to our roots in the beautiful Adirondacks to share our award-winning, locally-handcrafted wines with friends new and old. From our family to yours, thank you for being a part of our story and for letting us be a part of yours!
