### Tasting Notes

Crafted as a luscious blend of four native New York red grapes, our Red Ruby is bursting with flavor! Deliciously sweet, this wine served up a nicely balanced combination of fresh grape, strawberry ham, and candied berry flavors, finished with a soft tartness.

### Food Pairing Notes

While perfect to enjoy by itself, favorite food pairings include ham, pizza, light salads, mild cheeses, and dark berry or chocolate desserts.

### Winemaker Notes

Without any flavors added, this semi-sweet red is one of the favorites of many of our fruit-infused wine drinkers. It's a great alternative for people who don't like to drink dry red wines, and its natural grape flavors are really refreshing.

A LOVE OF WINE AND FAMILY has brought us back to our roots in the beautiful Adirondacks to share our award-winning, locally-handcrafted wines with friends new and old. From our family to yours, thank you for being a part of our story and for letting us be a part of yours!
