Boasting a beautiful light pink hue, this unique wine offers the enjoyable fragrance of fresh cut lavender in full bloom. Light bodied, and semi-sweet, its subtle lavender flavors complement notes of stone fruits and apples with a soft acidity.

Food Pairing Notes

Best enjoyed chilled, this wine is great to drink solo; but we also recommend trying it with light salads and sandwiches, mild cheeses, and creamy desserts.

Production Notes

It took quite some time to find the right blend to showcase the lavender, as typically our white fruity blends have a higher acidity. For an ingredient like lavender, we needed to do countless trials, so the acidity was low enough to let the lavender flourish. We are very happy with the result, and we hope you are too!

A Love of Wine and Family has brought us back to our roots in the beautiful Adirondacks to share our award-winning, locally-handcrafted wines with friends new and old. From our family to yours, thank you for being a part of our story and for letting us be a part of yours!
