Winemaker Notes

We approached this wine very delicately as the California version is our most popular wine and we wanted the NY version to closely match that and hopefully exceed it by bringing out a fresher strawberry taste to it. This was accomplished by selecting a blend of base wines that had bright acidity to them to make the strawberry flourish.

A Love of Wine and Family has brought us back to our roots in the beautiful Adirondacks to share our award-winning, locally-handcrafted wines with friends new and old. From our family to yours, thank you for being a part of our story and for letting us be a part of yours!
