Winemaker Notes

Lemberger was an outlier on our crush pad for the 2018 harvest season, defying the drought conditions, heat and humidity that challenged other grapes. Being a new grape for us, Lemberger came with excitement; but the final verdict would not be known for 15 months as we aged the wine in American Oak Barrels in our Barrel Room. Once blended, Lemberger developed into a robust red wine with great color and a smooth oaky finish!

A Love of Wine and Family has brought us back to our roots in the beautiful Adirondacks to share our award-winning, locally-handcrafted wines with friends new and old. From our family to yours, thank you for being a part of our story and for letting us be a part of yours!
