Winemaker Notes

Vidal Blanc is a fantastic dessert wine for anyone who has a sweet tooth! It also serves as a great mixer – make any wine a little sweeter by adding Vidal Blanc in and make some deliciously sweet cocktails with it! It’s versatility is really makes this wine unique!

TASTING NOTES / This rich white wine offers aromas of ripe peaches followed by decadently sweet tropical fruit and honey flavors that linger on the palate. Best served ice cold, this delicate wine makes an excellent dessert on its own; however, favorite pairings include spicy dishes, brie or blue cheeses and vanilla ice cream or cheesecake.
