## Winemaker Notes

With black cherry being a more mellow flavor, Pinot Noir was a natural fit as the base wine for Wild Red. We also like to use Baco Noir in the blend to pair with the very slight sour flavors that black cherry can produce.

A LOVE OF WINE AND FAMILY has brought us back to our roots in the beautiful Adirondacks to share our award-winning, locally-handcrafted wines with friends new and old. From our family to yours, thank you for being a part of our story and for letting us be a part of yours!
